In Appreciation

We have often heard or read about distinguished men who have surpassed others by their great achievements. These men have been considered well-known and have received great recognition. Then, we have come in contact with other men who display their greatness by their fine advice and by their understanding. These men are not as well-known and do not receive as much recognition, but are rewarded by a wonderful feeling of satisfaction. In our estimation, we have one of the latter among us. This particular man, by his advice and understanding has helped us prepare for the many problems in life which may confront us. Also, the knowledge that we have acquired from him will enable us to face the world with the ingrained concept that we will succeed.

Therefore, as a token of our appreciation for the assistance that he has rendered us, we, the class of 1960, dedicate this annual to our class sponsor, Mr. Ernest Hudak.

Superintendent of Schools

Parents and teachers, today, must recognize that the development of deep and abiding loyalties to the American ideals of life is the foundation of our entire educational program. Without these basic values, honestly cultivated, no individual can claim to be a free man. Without them he becomes easy prey to those who would put his thinking in chains, to those who would eventually destroy his security, moral values and life itself.

As individuals we must ----

Be loyal to the principle of the dignity of the human being, the principle of human equality and brotherhood.

Be loyal to our freedoms of religious beliefs and communications.

Respect talent and character. Be an economically useful citizen and work for the common good. Recognize your obligation to be informed and have the moral courage to oppose hostile forces which seek to deprive you and future generations of the blessings of liberty.

With these last words to you 1960 Memorial graduates I also extend my sincere congratulations and prayers that the great Teacher will ever guide you and be at your side throughout life.

Andrew S. Klinko

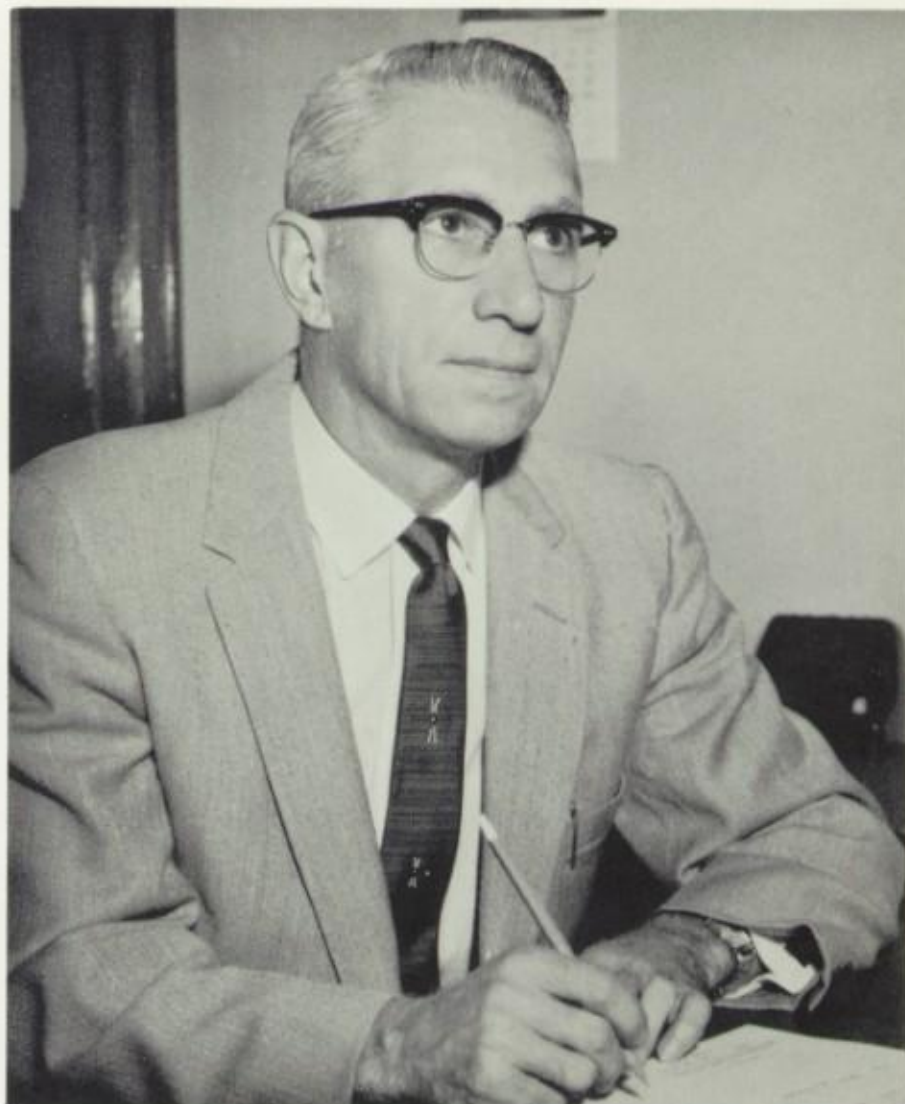

Principal

You are now citizens of a fine community and a great nation. Accept its responsibilities and serve it well. With the grace of God, may you lead a successful and happy life.

Our sincere congratulations and the blessings of God go with you.

Always Active

Throughout our high school days, we, the Class of 1960, have encountered many helpful people. We will never forget Miss Hetrick and Mr. W. Holliday, our guidance counselors, who helped us to plan our future and to become better citizens. Anyone who ever handled money for a class or club will always remember the help received from Mr. Zamary, our school treasurer. Nor will we forget the cheerfulness of our new school secretary, Miss Chugden. Mr. Cosentino, our truant officer, and Mrs. Kuzmack, the former Miss Keshock, who was our school nurse, will always be remembered as two people who helped us out of difficulties. We would also like to give credit to our custodians, Mr. Parker and Mr. Graban, and Mr. Barillaire, for making our days in school so comfortable. To all of these people we wish to express our sincerest thanks for the aid they have given us.

The annual staff started its meetings in August with one goal, to make the best annual in the history of Memorial High School. First, the enthusiastic staff completed the dummy. Then, the individual members started on their jobs. The problems of pictures, type, writing, ads, sales, and many others were slowly conquered through hard work and determination. At last, the 1960 Reveler has emerged.

Last deadline....another Reveler has gone to press. The office is rather deserted. Henry just turned in the last photo....Willie is cropping it....Nick finished the copy. Our job is done--the rest is up to you. In our work we have learned that "Memorial, and its changing scenes," is not merely a theme--it is a reality. Here's hoping this Reveler 1960 helps you to relive the dynamic life of high school days.

F.T.A. Officers

The FTA is an organization with a double purpose. It offers opportunities for members who are interested in the educational field by having them take over study halls and classes whenever the occasion arises. Regardless of its large membership, the FTA is an active social group. The members of this club see scholastic life from both sides of the desk.

Senior Play

The Class of 1960 made another first by presenting three one-act plays instead of the usual one. The cast worked diligently and was rewarded by producing three successful plays which were enjoyed by all. We would like to express our gratitude to Miss Fulton, without whom this success would not have been achieved.

SENIOR SPAGHETTI DINNER

HOME COMING

DECORATING FOR THE PROM

To any other person besides a member of the Class of 1960 this page may not hold any significant meaning. But to the senior this page should bring back many cherished memories. Everyone should remember the trip to Pittsburgh in 1957, Homecoming, and the party at Shirley's. Remember the trouble, and the fun, it was decorating for the prom, and how the football team worked to bring back the victory bell. These were wonderful instances, and will always be remembered and cherished by those seniors who had the privilege of taking part in them.

Mr. Knapick

Head Football Coach

Mr. John Knapick, who this year has completed twenty-five years as head coach of Memorial High School football teams, has run up an incredible record which is by far one of the best in Northern Ohio. He has had one hundred forty-nine wins, fifty-eight losses, and twenty-one ties. Along with teaching good sportsmanship on the football field, Mr. Knapick stresses victory through hard hitting and fair play. He has left an indelible mark of seriousness and high purpose of life on those whom he has coached, and with those whom he has come in contact with.

Season in Review

The 1959 season got off to a terrible start. Heavily favored over the Chaney Cowboys, Memorial was a dismal disappointment as they were upset 12-6. The loss must have been shocking, because against Boardman the boys really went wild, tearing the Spartans 38-0. Still breathing fire, the Red Devils went all out to stop a powerful Hubbard team 28-14. This game added to the rivalry between Hubbard's coach, Ex-Memorialite, Dan Modak and our own coach, John Knapick, since it proved to be Hubbard's only defeat of the year. Teamwork and spirit lacking, Memorial lost its second game of the season to a big Cathedral Latin team 20-12. Against a speedy South eleven, Memorial made the fans rise to their feet as they came from behind to defeat the Warriors 34-32. By beating Fitch 16-6 and Girard 32-6 the Red Devils were only one victory away from another Steel Valley Championship. The largest crowd of the season came to witness a lopsided 26-0 defeat for Memorial at the hands of a very big and powerful East Eleven. The Struthers game was do or die. Memorial had to win this one in order to salvage some glory for what was otherwise a mediocre season. The boys fought hard and defeated the Wildcats 30-6. The season's finale was against a fine Ursuline team. Coach Knapick's "pore little boys" tried, but just couldn't move against a stout Ursuline defense as they went down to defeat 26-8. Memorial, coached by Johnny Knapick and led by its two fine captains, Rudy Arlow and Jim Dambrogio, brought the Steel Valley Conference Championship to Campbell for at least another year, but Coach Knapick is looking forward to next year and another championship team.

Season in Review

The 1959-60 season for the Red Devils was one of rebuilding. With only two lettermen returning from the previous season, Coach John Francu had a tremendous task ahead of him, because he had to start the season with a young, inexperienced ball club. Dropping their first six in a row, Memorial finally racked up their first victory of the campaign by beating Fitch 63-56. Three games later the boys came up with another victory beating Struthers 59-55. Memorial's hottest streak came at the end of the season winning two out of their last three games. The Red Devils downed Boardman 61-56 in a real thriller, and for the second time this season they toppled Struthers 77-59. Now came the big surprise, Memorial, an underdog to Cardinal Mooney in their first game of the regional tournaments thrilled the crowd with a startling 65-55 victory. Four nights later going into the game as a definite underdog, Memorial again turned the tables as they defeated top seeded Liberty 59-56. The big question now was how long could this last. Memorial, now with a very large following and being called the Cinderella team of the tournament was once more the underdog to a very good Poland crew. Getting off to a quick lead and maintaining it throughout most of the night, Memorial had everyone in the fieldhouse cheering for them. But with three boys fouling out in the last quarter and Poland getting stronger as the game progressed, Memorial just couldn't hold their lead as they went down to defeat 76-66. This closed the record books on what was certainly not Memorial's best season, but was certainly one of their most exciting.

Student Council

The governing body of our school, consisting of student representatives from each home room, is the Student Council. The advisor of the council is Miss Gladys Hetrick. The purpose of the Student Council is to govern the student body, and act as an advisory committee. For example, before any new idea or plan is submitted to the students, it is brought before the council for approval. The council has also helped many needy families by starting drives and collecting money and clothing for them. The council has also sent "Care" packages to the unfortunate victims of war in Europe. Whenever there is a need for volunteers to collect for different drives the members of the council are ready and willing.

Class Song

The time has come to say
 Farewell, Memorial High
 We hate to leave you now,
 But we must say goodbye.

We'll go our separate ways,
 And as the years go on,
 We'll find the happiness
 We used to share is gone.

To friends and teachers, too,
 To them we bid adieu
 The Senior Play, the Prom,
 And finally Graduation.

We'll miss the crowded halls,
 The laughter, and the tears,
 But memories linger on
 Among our souvenirs.

Melody of "Among My Souvenirs"
 By Chris Gaitanis
 Rita Freiberg

CAMPBELL BOARD OF EDUCATION

IT'S ALL UP TO YOU!

To hear yourself referred to as a "graduate" must sound fine. How many of you think of this word as meaning "the end of your primary schooling?" If you do, you're looking in the wrong direction. Look up the word "graduate." Its derivative "gradus" means "Step." Here's the meaning to consider. Your graduation means simply, you're rising to a new step, a new challenge.

The schooling you received these past twelve years was merely preparation for that next step. Now, it's up to you. Where is your next step...further schooling...on-the-job experience...marriage? Whatever your next step, consider it seriously, for it may mean the direction your whole life pattern will assume.

There is no doubting that, up or down, one step leads into another. And it's all up to you. Only to you! Whatever your decision, we wish you much good luck in the many steps to come.
